Z
base leg

Thread implementation

In fabric cover the model is produced with double seam, in leather with pearl double seam or special cross stitch. A contrasting coloured thread is also available with

Combined covers

This model can also be supplied in combined covers and combined cover colours. See order information.

Elements with high back cushion

For items with the suffix „H“, the back cushions are approx. 10 cm and have a sewn-on roll for resting on the back corpus.

Metal colours for legs

The leg can be ordered in the finish high-gloss chrome or powder-coated black. Please indicate when ordering.

ORDER INFORMATION

Combined covers:

This model can also be supplied in a combination of different cover qualities and colours. See price list.

Price 1: base and seat

Price 2: back cushion

Further combination options as special production at extra cost:

Price 1: carcass

Price 2: seat and back cushions

Please enquire separately with the manufacturer if desired!

Loose cushions:

There are loose seat and back cushions with this model (except ottomans). **Although the back cushions are loose, they do not have to be ordered separately. The back cushions are included with the respective** www.schillig.com

article.

Seam appearance:

Decorative, felled or double seams may appear different in fabric and leather versions. For manufacturing reasons, seams may be left out of the fabric version or replaced with simple seams.

Base leg Z:

If elements and sofas without or with 1 armpart are to be placed directly against elements or sofas without or with 1 armpart, a base leg Z is required and must be ordered.

Contrasting thread:

This model is available in leather and some fabric colours with contrasting colour thread at no extra charge. You will find the specified colours in our fabric/leather trolley. Please state the no., otherwise tone-in-tone will be delivered.

Thread finish:

The model has a double seam in fabric. In leather/with contrasting thread a pearl double seam is processed. Alternatively, you can choose a cross decorative seam in leather. Please specify. **Please note: The cross stitching is not possible in the fabric version!**

All of the dimensions given are approximate dimensions in cm in width/depth/height/seat height. We reserve the right to make changes.

Seat depth: approx. **65 cm**

Seat depth without back cushion: approx. **83 cm**

Armpart width: approx. **21 cm**

Armpart height: approx. **64 cm**

Loose seat and back cushions:

Due to loose seat and back cushions measures may vary. Measures were taken with oriented seat and back cushions. The cushions change shape during use and must be knocked up

regularly.

Note on upholstery construction:

Ticking cushions have been used in the seat and back. This can lead to the marking of individual chambers and is a typical feature of the product.

Especially casual upholstery:

The upholstery is especially casually processed to create a certain appearance with a super soft surface. The covers may already show a pronounced wavy appearance on delivery, which is intentional due to the design and construction and may become even more pronounced with use. This is not a quality defect, but a model-related characteristic.

Corner elements:

Please note that the alignment „left/right“ is oriented at the position of the corner on the corner element.

Oversized articles:

The articles N200, NH200, N200R/L, NH20R/L, E200R/L, EH20R/L are delivered disassembled (2x 100 seat/back unit, 2x 100 back cushion, 1x 200 seat cushion throughout).

Different height back cushions: [W]Articles with low back cushions and articles with high back cushions can certainly be combined with each other as desired.

Digital fabric/leather and colour samples:

The visual appearance of the covers and colour samples may vary, samples in accordance - colour and structure deviations possible.

UPHOLSTERED FURNITURE QUALITY

Upholstered furniture from passion.

For almost 75 years, this passion has led to the creation of high-quality and special pieces of furniture and designer furniture - sofas that combine elegant and contemporary design with first-class comfort. We stand for craftsmanship, trend-setting ideas, appealing design and know-how from Germany. The result is upholstered furniture with guaranteed first-class comfort and attention to detail. When selecting the materials used, we pay attention to sustainability and the conservation of resources.

- Traditional craftsmanship down to the last detail
- High-quality, environmentally friendly materials
- Careful & precise workmanship
- Cooperation with renowned furniture designers
- Production according to DIN & RAL quality guidelines of the Deutsche Gütegemeinschaft Möbel e.V.
- Regularly tested product quality „Made in Germany“
- Development at the Upper Franconian location in Ebersdorf near Coburg
- Carefully selected fabric and leather cover collections in many colours for a wide range of requirements.
